

Centurion Series Product Limited Lifetime Warranty

Congratulations on your purchase of the Centurion Series Whole House Unit.

To the original purchaser: Your new water filtering system carries a comprehensive Product Warranty. The following warranty covers the following part numbers:

- IO-MC-1MPT-10
- BW-MC-1MPT-10

Warranty applies to Manufacturing defects only, to the original owner at original installation site

Warranty Obligations

*** Service, Labor and Freight Charges Not Included in the following obligations***

- Atlas Filtri North America will provide one (1) replacement tank for a tank that fails due to a manufacturing defect.
- Atlas Filtri North America warrants that components for the equipment will be available for the lifetime of the system or comparable components of our selection will be sent to replace any obsolete items.
- Within ten years from date of install, Atlas Filtri North America will repair or replace warranted defective control valve parts at no charge.
- Atlas Filtri North America will provide one (1) replacement carbon media package at no charge (excluding freight and handling) for 10 years from the date of installation due to media failure. (Chlorine Taste & Odor (CTO) only)
- This warranty gives you specific legal rights that may vary from state to state.
- All Digital and Mechanical parts carry a 5-Year warranty, against manufacture defects only.

Atlas Filtri North America will repair or replace defective part at their own option, provided that the part is returned to Atlas Filtri North America, freight prepaid. All service must be performed by a licensed plumber.

Service, Labor & Freight Charges are Not Included by Atlas Filtri North America or Manufacturer

Warranty Exclusions:

- Defective warranty part or parts will be repaired or replaced at the option of Atlas Filtri North America, F.O.B. Atlas Filtri North America. 1068 North Farms Rd. Bldg #3. Wallingford, CT. 06492.
- All systems must be installed correctly by a licensed plumber and meet all state and local plumbing codes.
- All service work must be performed by a licensed plumber.
- This Warranty does NOT apply to and is VOID on all systems that have been neglected, installed incorrectly, wrongfully applied, or if they have had hot water introduced through them from back-feed or incorrect installation, or have had any sand, silt, turbidity, organic loading or high Iron fouling, direct UV sunlight, rain, weather elements, freezing, fire, flood, power surges, brown outs, earthquakes, or any other natural disaster. This warranty does not apply and is VOID if systems have had vacuum, negative pressure, or reverse flow. Protect systems from vacuum, negative pressure, and reverse flow.
- This Warranty does not apply on systems installed on waters of unknown quality. Do not install systems on waters that are microbiologically unsafe or of unknown water quality.

This Warranty gives you specific legal rights. You may also have other additional legal rights which may vary from state to state by statutory provisions. Atlas Filtri North America will not be liable for any freight, labor charges, loss or damages caused by defective part.
